

Warranty

FOR

WILLIAMS PRODUCTS

"This product is warranted to be free from defective material or parts, and it is agreed to furnish a new part in exchange for any part of this unit which under normal installation, use and service discloses such defect, provided the unit is delivered by the owner to the authorized Williams distributor from whom purchased, intact, for examination with all transportation charges prepaid, within 90 days from the date of sale to original purchaser and provided that such examination discloses that it is thus defective.

This warranty does not extend to parts which have been subjected to misuse, neglect, accident, incorrect wiring not our own, improper installation, or to use in violation of instructions furnished by us, nor extend to units which have been repaired or altered outside of our authorized facilities, nor to cases where the serial number thereof has been removed, defaced or changed, nor to accessories used therewith not of our own manufacture.

This warranty is in lieu of other warranties expressed or implied and no representative or person is authorized to assume for us any other liability in connection with the sale of our Williams Products.
